The Story Of Jolly Jumpers Playzone

We would like to welcome you and your family to Jolly Jumpers Playzone and thank you for choosing to spend your time with us. Whether it's to burn off some energy, catching up with friends or a birthday party, we will do our best to ensure everyone has a great time.

Jolly Jumpers is a small family run business that opened on 30th January 2016. Starting with an empty warehouse and a desire to provide somewhere families could have fun and relax in a safe environment.

We have a friendly team of staff who are happy to help and assist your needs. We try our best to keep an eye on all that's going on and to ensure everyone is safe and happy. But we must remind adults that the children you bring with you are your responsibility.

You are welcome to assist younger children on the inflatables, if they need it. The playzone was designed for children to have fun, and adults playing too rough or madly can cause damage to the equipment or present a danger to the little ones.

We have a feedback/suggestion box on reception and therefore all comments are gratefully received to help us improve on any areas in Jolly Jumpers.

Hope you are enjoying your visit and we hope to see you soon.

From The Jolly Jumpers Team
